500,606 expert authors share their best articles After almost two years, it should come as no surprise to anyone that many are, to say the least, tired and even more tired and sick - and - tired and affected by this terrible pandemic in our lives! But it shouldn't and can't... more Since we don't have a crystal ball, it's impossible to accurately predict the future! This is especially true when it comes to economic issues including investments, real estate, interest rates, inflationary pressures, government...more You need to get used to listening to God! wisdom will speak to you. About what? how to live to please Him. God wants you to be influenced by His Word! Listen carefully! There's no time to waste! God is always... more Sometimes I find that the time at home can be the busiest, especially during the time we live in. Imagine someone working from home... more The purpose of this article is to give you advice that can improve your scripture reading in 2022. Oh, what a treasury of spiritual riches God has placed at your disposal! more As we evolve, many of us struggle with the feeling that we don't quite fit into our traditional community or tribe. To find... more people with a victim mentality view life through the narrow lens of pessimism, believing that everything that happens in life is the result of external causes. Inner reflection is never expected. Being a victim means absolutio... more Musicians often find themselves in the proverbial "Catch 22" where they have to have a steady job to fund their music, but then they don't have enough... more Believe successful people just lucky? Successful people are not successful because they are lucky... more We all have a different approach to life, business and all the things that need to be done. You may be a spontaneous person who... more 350 Bay Area ActiveSGV Advanced Energy Economy (AEE) Brightline DefenseCalifornia Electric Transportation Coalition Against Waste Community Action Center for California Environmental Volers and Center for Environmental Justice Center for Sustainable Neighborhoods CHIRLA CivicWell Climate Center Climate Resolve ClimatePlan Action Campaign Clinica Medica San Miguel Coltura Community Foundation for New Communities California Council on the Environment (CNCED) Council Mexican Federations of North America (COFEM) Eastyard Communities Courage Campaign for Environmental Justice Environmental Coalition FACTS (Families Advocating Chemical and Toxic Safety) Greenlining Institute IE United Jewish Justice Center Landwatch Monterey County LA Forward Los Angeles Metropolitan Alliance of Churches (LAM) Let's Green CA!
