IGNOU Assignment Cover Page Instructions to design your IGNOU Assignment Cover page The first page of the assignment is very important. It must be attractive and at the same time it must follow the format prescribed by the University. Here are some guidelines that will help you to make your first page of the assignment flawless exactly like the format issued by the University on its official website. The first page must include the following information. Name Roll number Address Assignment number Name of the course Study Centre Programme Date of submission Phone Number Email Id Your Signature The assignment must be presented on an A4 size sheet. And it must be hand written by the students in any course. The answers can be written on both sides of the paper. While writing the answers the students can only write the question number rather than writing the whole question. But it is best to write the whole question so that the understanding is better. Note:- You can not submit Printed or Typed assignments. IGNOU only accepts Handwritten assignments. Some other Samples of IGNOU Assignment Front Page IGNOU Assignment Cover pages samples All this information must be included in the IGNOU assignment Front or cover page. If you include all this information the chances of loss of your assignment or getting it misplaced are reduced. If you loose the assignment in any case you will not be given any extra time to complete it and this will result in less marks. You must not take any chances with the format and follow it exactly according to the prescription are students put in a lot of hard work to make the assignment and submit it on time. It is to be remembered that the assignment is prepared for the preparation of the final exams and then University intends the students to do so. Following the proper format will help the evaluator to follow all the instructions that are to be followed while assessing the marks of the student. There is a provision for posting the assignment to the student Centre instead of giving it by hand. This is for the students who are hostellers and cannot travel long distances to submit the assignment. The assignment is to be done on loose papers and then tied along with the first paper with the correct format.
