33. FABRIC Look closely at the make up of the fabric upper, there are a number of small details to watch out for. UV TONGUE Adidas Yeezy 500 Desert Rat Blush's have mesh on the tongue that glows when UV (black) light is shone on it. SIDE PROFILE Adidas Yeezy 500 Desert Rat Blush's have a distinctive side profile, take note of the toebox and heel remain relatively flat on the floor, 31. Look for the thumb tab to pull the box insert open, make sure it has a perforated edge and that it extends up slightly higher than the box insert. If you lift up the insert from the bottom of the box you will see the interlocking base construction. 25. Check the height of the edge along the heel, also take note of the shape of the impact patches on the forefoot and heel. REFLECTIVE PIPING Adidas Yeezy 500 Desert Rat Blush's have a line of light reflective piping running all the way around the shoe, if you shine a light on the piping it will have a microscopic sparkle to it. Some countries might have different languages on them. Check that the padding at the back of the heel is thick and then becomes thin all of a sudden at the top eyelet. There should be no cracking or flaking of the material along the edges or folds of the box. Also take note of the antimicrobial fabric, it looks like a very fine weave. 2. 10. Take this opportunity to have a close up look at the fine bubble like texture of the Ortholite foam. 19. Make sure the tiny symbol inside the manufacturer "QR" code is different on each label. TONGUE DETAIL The top two corners of the mesh tongue will have transparent heat sealed lines embedded into the mesh, can you see them. Tip 1: Check that the style (ART) and PO (#) numbers match those found on the label inside the shoe. Make sure the typeface used is correct and that the letters have a fine bubble like texture to them. 3. 27. Make sure the style (ART) number and purchase order (#) number match the retail box label. What is important is this symbol is different on each shoe label, and being so tiny it is very hard to replicate. Also make sure the typefaces used are correct, pay specific attention to the diagonal bar through the 0 in 500. Take note of how the area under the foot arch lifts up off the floor. 4. TOE BUMPER Take note of the rubber bumper and how it goes under the thick toe tip. Apr 10, 2018 14,079 Hypes Including her monologue, performance of "Money Bag" and recording a special voicemail for a fan. 5. Apr 10, 2018 21,101 Hypes With Nexon paying \$875,000 USD. 15. Check the quality of the printing, make sure the logos are solid with clean sharp edges. BOX LABEL Adidas shoe boxes feature a label on the one side detailing style name, size, color, country of manufacture and a style & PO number. SOCKLINER PADS One of the unusual features of these Yeezy 500s is the sockliners, PULL TAB Adidas Yeezy 500 Desert Rat Blush's have an unusual two tones pull tab attached to the tongue. PERFORMANCE LOGO If you turn the box over you will see an Adidas Performance logo under the box. Note how thick the rubber bumper is and also check that it has a fine horizontal line texture to it. Make sure there is a double layer of cardboard and that there is a slight gap between the two layers. SOCKKLINERS Adidas Yeezy 500 Desert Rat Blush's come with brightly coloured molded sockliners that provide comfort and support. Aug 30, 2021 15,280 Hypes Influenced by a 1957 model. 7. LINING Adidas Yeezy 500 Desert Rat Blush's have soft padded lining, note how the collar lining has a C shaped stitchline around the top eyelet. 29. Slated to release near the end of November. Make sure the logos are center aligned within the side panel. Make sure the sole is not worn out if the shoes are new. The short sides of the box will be much thicker than the long sides. Make sure the stitching along the edges of the panels is tight, neat and evenly spaced and follows the edge of the panel perfectly. These extra layers of red and yellow on top of the main green foam have a much finer texture than the green. Check the quality of the debossing, make sure the edges are sharp and clear. TONGUE STRAP The tongue is held down onto the insole with elasticated mesh straps to provided locked down comfort. 8. RECEIPT Check the details of the original receipt including date, store and amount paid. 6. The oval suede patches are very rough, almost like fur with a smooth printed edge under the stitching. The impact patches have a thin layer of red and yellow padding added on top of them. Check that the typeface used is correct, make sure the swing tag has very rounded corners. ADIPRENE LOGO Adidas Yeezy 500 Desert Rat Blush's also use lightweight adiPRENE technology, there will be an adiPRENE logo embossed into the midsole. Check carefully that the logo is positioned centered at the base of the panel. Make sure the Yeezy logo is not rubbing off and that the typeface used is correct. 34. Lastly there will be a 13 digit Unique Security Number, make sure it is different on each shoe, the last 3 digits are usually different. Make sure the typeface used is correct. Allowing the brand to further its "capabilities in computer vision and artificial intelligence." 1. An earthy style that's perfect for the fall. If you look closely at the thumb hole under the box you will see an area that is cut into the cardboard. Make sure the typeface of the logo is correct. Make sure the top edge of the rubber bumper, on the instep side of the shoe (where your big toe is) has a rounded curve to it before it goes under the toe tip. 12. Make sure the stitching joining the pull tab to the tongue is tight, neat and follows the oval cuts outs perfectly. Make sure the Boost is positioned in the center of the side panel. Tip: The inner of the box is locked into the outer and the two halves cannot be separated easily without breaking the box. Check all of these details carefully. Paying tribute to characters including Hulk, Captain America and The Avengers. Check inside the box, take note of the large finger hole on the short side of the box, it will have a perforated fold to allow your finger in to pull the box open. Labels for different regions may look different. The inner area of the pull tab will be a smooth beige colour while the outer edge has a microscopic speckled texture. Tip: make sure the dot of the "i" in Adidas is joined to the second stripe. 21. HEEL STITCHING High quality stitching can be hard to replicate, the heel area of Yeezy Boost 500 is a good place to check that stitch quality. There will only be one layer of wrapping. Tip: Google search "Adidas"+"ART number" to check that the colourway is correct. Make sure this piping follows the wavy upper panel perfectly. HEEL ADIDAS Adidas Yeezy 500 Desert Rat Blush's will have an Adidas Performance logo debossed under the heel of the sockliner. There should also be a 6 digit style number as well as a barcode number. 13. 17. Make sure the typeface used is correct, look especially close at the tail of the Q in the word Fabrique. OUTSOLE Adidas Yeezy 500 Desert Rat Blush's make use of a old chunky outsole design from the Adidas archives called Feet You Wear. INSOLE Adidas Yeezy 500 Desert Rat Blush will have a fabric insole. Make sure these straps have neat stitching along the edge. 14. 30. PROFILE Learn how to spot fake Adidas Yeezy 500 Desert Rat Blush with this detailed 36 point step-by-step guide by goVerify. Tip 2: scan the barcode (even a photo of one) with a barcode scanner app, the exact product including size should be correct. Check that the tongue stands up much higher than the back of the heel. Next to this inside label is a Yeezy logo printed onto a strip of clear tape. Make sure the last 1-3 digits of the 13 digit Unique Security Number are different. Check that the upper lining is well padded, you should notice thick bulges of padding between the stitchlines. Make sure the printed edge and stitching stops just above the eyelet where the suede joins the inner lining. INSIDE LABEL (R) Inside label details vary depending on year, country of manufacture and style. MIDSOLE LOGO There will be an thick Adidas Performance logo molded into the midsole, make sure the typeface used is correct. Make sure the stitching joining the insole to the upper is neat, tight and evenly spaced. Look at the woven mesh, under the holes you will notice whaat looks like hundreds of thin hairs. SOCKLINER LOGO The sockliners will have an Ortholite, Yeezy and Adidas Performance logo printed on the top, make sure the printing is solid with sharp edges. Check the last panel at the top of the shoe, the one with the top eyelet, note how the outer edge of this panel has a smooth printed edge under the stitching while the inner edge is just rough suede. The will also be a an Adidas Performance logo at the bottom. 11. These heat sealed lines will start at the top of the tongue, pressed into the mesh, then fade out and disappear as they go down. PANEL EDGE Adidas Yeezy 500 Desert Rat Blush's have rough suede patches on the upper. BOX CONSTRUCTION The retail box will have well constructed supportive side walls to keep the box rigid and to improve protection. BOX LOGOS On the short side of the retail box are the words Yeezy 500 with Made by Adidas below that. RETAIL BOX Adidas Yeezy Boost 500 sneakers come in a sturdy, unprinted retail box, featuring a large 500 on the top. WRAPPING Adidas Yeezy 500 Desert Rat Blush's have wrapping inside the box to protect the shoes. 24. Check the structure of the folds, make sure that the top edges are square. INSIDE LABEL (L) The second shoe label will be the same as the first shoe except for two things. 26. 23. 28. Check that the plastic cable joining the swing tag to the shoe is clear, note how the interlocking end is a tiny cone shaped tip. 22. 35. 32. BOX MATERIAL Adidas Yeezy Boost 500 retail boxes are made from corrugated cardboard. NON MARKING There is a "non-marking" logo debossed into the sole, make sure the letters are sharp and clear and not filling in. Take a close look at all the different textures of the midsole rubber. 20. 18. Expressing a mix of grays. Ye adds another earthy colorway to his footwear arsenal. SOCKLINER SIZES Under the sockliner there will be a size code embossed into the rough foam. Make sure this top eyelet is a solid plastic insert. BUMPER Adidas Yeezy 500 Desert Rat Blush's have a beige rubber bumper that runs above the midsole, over the suede upper to provide added protection. SWING TAG Adidas Yeezy 500 Desert Rat Blush's will come with a swing tag explaining how the colour of the fabric might change. Remember real shoe boxes can accompany fake shoes. Make sure the printing is solid and sharp. Yeezy Boost 500s are from the Adidas Performance range and not the Adidas Originals range like the Yeezy Boost 350s are. Look for the tiny micro symbol within the Manufacturer "QR" code, it is on the right hand side, it looks like a tiny code within a code. Look for the country of manufacture, shoe size, factory code (usually starts with 2-3 letters) and date of production (MM/YY). COLLAR If you fold the upper back you will notice the shape of the collar. Note how the sockliners often cover more than one shoe size, in this case both 8 and 9. Some countries may have extra swing tags with barcode, model number and details from the box label. Make sure the size matches the size of the label on the retail box and the label inside the shoe. The wrapping is a dark cream colour and the paper itself is thick and rigid. 9. 16.
