Number 13, as we all know, is tied to bad omen. It has the same meaning in biblical numerology, it is linked to revolts, rebellion, corruption and disintegration. The number of thirteen or his multiples in every occurrence in the Bible is linked to the revolution or to a close idea. Many superstitions are related to this number of patients. The first occurrence of number 13 is in Genesis 14:4 where it is said: "Twelve years served Chedorlaomer, and the thirteenth year rebelled." The second event is recorded in reference to Ismaele in Genesis 17:25, he was thirteen years old when Abraham circumcised him and was admitted to the covenant, and this ended with his rebellion and rejection. So let's see that each where the number thirteen occurs is linked to apostasy, rebellion and corruption. Number 13 has always been surrounded by superstitions and has been considered obscure and tied to something bad. The gematria (number assigned to the words) of the dragon is 975 (975= 13X75). Belial who personifies evil has a gematria of 78 (13X6), Anthropoktonos meaning killer has a value of 1820 (13X40). The names of the Lord and his supporters all have a value that is a multiple of 8 while the enemies of God and all those who rebelled have a value that is a multiple of 13. This is a very remarkable observation that all those who have apostated against their names have a Gematria of thirteen. The destruction of the city of Jericho is also linked to number 13 not because of the gematria, but because the city was once surrounded for six days and then seven times the last (seventh) day, for a total of thirteen. The serpent, the lion, the tempter all have a Gematria that is a multiple of the number thirteen. The nation's dispersion is said to occur in the year of Peleg, the gematria whose name is a multiple of thirteen. The word "zume" is thirteen times in the New Testament and is linked to corruption. Demonstrating that all that happens thirteen times or that has the number thirteen impressions on it then is somehow linked to corruption, rebellion and apostasy. The number of famines that have been recorded in the scriptures is also thirteen Genesis 12:10, Genesis 26:1; Genesis 41:54, Rut 1:1, 2 Samuel 21:1; 1 King 18:1; 2 Kings 4:38; 2 Kings 7:4, 2 Kings 25:3; Nehemiah 5:3, Jeremiah 14:1; Luke 15:1; Acts 11:28 destruction and disintegration. If the Gematria of each member of the Lamech family is analyzed, it will reveal remarkable observations. Lamech and Adah have a Gematria of 169, 169=13X13, the two wives Adah and Zillah 611, 611=13X47, Tubal Cain has a Gematria of 598, 598=13X46, the whole family including the daughter, Naamah is equivalent to a Gematria of 1924, 1924=13X148. There is also a myth related to this number thirteen and that is the last dinner, This myth is unfounded. The term "Ultima Cena" does notin the Bible everywhere. It is believed that having thirteen at this dinner was unlucky. In the thirteenth chapter of the Gospel of St. John, during the supper with his disciples, Jesus declares that one of them will betray him and, after announcing the betrayal of Judas, prophesies Peter's denial. The thirteenth chapter of Revelation speaks of the anti-Christ and the beast. The thirteenth psalm has a verse: "The fool hath said in his heart, It is not God". There are thirteen evil spirits according to the Cabal. Few words that have a Gematria equal to a multiple of the number thirteen are Moses (351), Joseph (156), Isaac (208), Abraham (104), Torah (611), Jacob (182), Israel (546), Sinai (130). In the Gospel of St. John Jesus uses thirteen comparisons to say who he really is. The words sickness, tear, dragon, and "Son of God" are used thirteen times in the New Testament. The words carnal and treason are used thirteen times in the Bible. It is not just a coincidence that the number 13 is linked to the rebellion and considered a bad omen. The Scriptures have abundant examples to show that with every occurrence of this number, revolt and apostasy are entangled. If a word occurs thirteen times or something has this number stamped on it, it is always linked to disintegration and rebellion. This is why this number thirteen is considered as a number of bad omens and an obscure number. Until today Friday 13 is considered a dark day and a day of bad omen. Since its first appearance in Genesis 14:4 the number thirteen has always been significant of apostasy and rejection. The number 13 is a symbol of rebellion and lawlessness. Nimrod, the mighty hunter who stood "before the Lord" (meaning he tried to take God's place - Genesis 10:9), was the thirteenth of the line of Ham (Ham was one of the three sons of Noah who survived the flood). The valley was the scene of rituals inspired by the evil of the pagan god Molech (or Molech). The practices of this false deity received some credibility when they were deliberately permitted by King Solomon (1Kings 11:7) to please his non-Israelite wives.One way to appease and worship Molec was the sacrifice of children who, after being burned alive, were thrown into the fire. The bond of the valley to the fire was the fitting backdrop for the final punishment that unrepentant and rebellious sinners will receive in the lake of fire (Revelation 19:20, 20:9 - 10, 14 - 15).What is the devil's last battle?What is it to be reprobateList of the pagan gods Israel worshipped/The longest name in a book, Th The Dragon, symbol of Satan, is found 13 times in Revelation. They are adulteries, fornications, evil thoughts, murders, covetousness, theft, wickedness, debauchery, deceit, blasphemy, foolishness, pride, and an evil eye (Mark 7:20 - 23). Ishmael, Abraham's first physical son (through Hagar), was circumcised (which is the cut of the foreskin of a penis) when he was 13 years old (Genesis 17:25) as part of God's then new covenant with Abraham (Genesis 17:1 - 22). Abraham circumcised all the males born in his house (at least 13 individuals - Genesis 14:14), and all the males he owned, and all the other males (both adults and children) from whom he was responsible (Genesis 17:23-27) on the same day! And though he was 99 years old, Abraham himself submitted to circumcision. The first is in Romans 1:20 - 32, where some people who refuse God are given to contaminate themselves in a variety of ways that include homosexuality (male and female) and general sexual immorality. The second mention of sex-related sins is in 1Cours 5:1 - 13, where the apostle Paul must manage the problem of the local church which allows a member who commit openly incest. The third problem of sex treated in the New Testament is in Revelation 2:19 - 25.
