Players must work together to master the map in a fantasy world, and the game requires skill and practice Á not to mention good teammates Á to master. There's never been a better time to visit a galaxy far, far away.Allen Swarm is a free online game available on Valve that pits you and up to three friends against alien monsters. While the game is certainly dated at this point it was released in 2010 it still has an active fan base. In fact, the main drawback of the game is simply that you need a powerful computer to run it in the maximum graphical configuration.Fortnite Battle Royale Fortnite Battle Royale took off to become possibly the most popular game of 2018, and in so doing, reinvigorated the genre of real battle games, with competitors like Call of Duty: The War Zone soon emerged in its wake. Best of all is that you no longer need to spend money to avoid endless crushing. While the most obvious change was a shift to a limited free-to-play model less than a year after the release, there have been many more subtle changes that are good news for everyone. Photo courtesy: Joe Klamar/Getty Images Are you only interested in history? Whereas the rewards are fighting the orcs in Mordor and protecting the cakes from the hungry hobbits equally, the rewards are well worth it. While knowing the great Warcraft universe can make cards more enjoyable, you don't need to know previous games to enjoy Hearthstone. You can jump all the way to level 60 by creating the character. Photo courtesy: Suzi Pratt/Getty Images Although the game remains one of the biggest names in e-sports, Dota 2 has seen a decrease in the number of players since its launch in 2013.
