This place is awesome. I tried their Kebab Pizza and I was in love with it. I like pizza and thought that I have tried all of the pizza in the world. But, I was wrong. I have never tried the Kebab pizza. This pizza is heaven. If you like pizza and want to try something different, you should go to Kraving Kebab Pizza and eat there. You will not regret it. The prices are cheap for the amount of food that they give you. -Roynell A. What our customers are saying . . . ORDER ONLINE FORPICKUP 10% OFF You know, I thought I knew everything there is to know about pizza. Boy was I wrong. Tonight I met ... the kebab pizza. And I am in love. Perfect crust, crisp on outside, tender on the inside, not too thin not too thick. And the kebab meat? On a pizza? Yes, it is more than amazing. Then comes the cream sauce on top of the robust tomato sauce, who would have thought? But it is delicious. You have got to try this place. Carrie D.
