Skip to content Text SPR to 44 321 to make a Donation to Zampe Piccole I want to let anyone of you know not yet how we started in the spring of 1998. Wow! How time flies! At the time, the co-founder of Small Paws® Rescue, Susan Sebring, and I, had applied to join a Bichon rescue organization. We both received a letter telling us that rescues required more than a good heart and that at that time we were not considered suitable for help. (Yes, that's what the letter really said. Even though we were discouraged at first, we decided that if we could not go to the mountains... we would have moved the mountain to us, and so was born Small Paws® Rescue. There is no love like Bichon. Little Zampe Rescue helped us realize that love by finding Bichon adults or elderly to join our small family. Over the years we have adopted 6 Bichon with the help of Piccole Zampe. 3 years and 11 years old, our children Bichon were adopted at the age of 6 and 9 years. This year they are 11 and 12 years old. Every day they make our world complete and fill our hearts with joy. Lily and Timbit (and all those who preceded them) brought laughter and love to each person they met. Our whole neighborhood knows & loves our Bichons!! Our lovely boy, Timbit, lost his leg this year because of cancer, but this did not slow him down for a minute. Every day with a SP Bichon is really a gift that gives you a life of happy memories in a small soft body. We cannot thank Robin and Little Zampe Rescue for sharing these precious souls with all of us lucky enough to welcome them in our lives. Tammy Preast & David Campbell & Lily & Timbit I just wanted to inform you that I adopted Taylor from you 12-1/2 years ago by an adoptive mother in Oklahoma when she was 5 years old and her family abandoned her because she moved. I still think they closed with her after the reproductive age. So sad for them, but she was the love of my life and she is now 17-1/2 years old and she is still younger than her years. At this moment it resembles Bichon's photo at the bottom of this page. Small Zampe Rescue is such a blessing for these beautiful fur children! Thank you for everything you do. Peggy Dercole & Taylor I started in Texas in 2001 when my husband died. I needed someone to take care of, and I found out SPR. I'm 76 years old and I'm no longer physically able to do as much as I did, but I keep doing as I can. I have three guys from the last year who count a lot for me... Jack 17, Sugar Bear 14, and Bailey 9. The words of your letter to Robin are a wonderful and deserved tribute to a superb organization. I don't know any other placeThe little hobbit and would see a future for him. I want to give you my appreciation and respect for everything you do. It is the grace of good God and incredible volunteers and devotees like you who make all this work. this. Thank you so much for being there for the precious junk that was so abused. May my prayers and blessings go with you. Linda Norris & Jack, Sugar Bear, & Bailey Two years ago I received my first dog from Small Paws&A¶Gracie aka Phoebe. Thank you for all you do to help these sweet dogs and give people like me the opportunity to love and care for them. You're very much appreciated! Chris Mummert & Gracie Here's my sweet boy Colby who just turned 15 9/9. I adopted him 14 years ago on small feet and flew to the RI airport to start his new life! He was the love of my life! Kathy Sullivan & Colby Hello Robin, in a few days it will be 3 years since Small Paws Abby came into my life. It was a "grey puppy" that I adopted shortly after I lost my 16-year-old bichon. Abby's mother, who said she was partly bichon and you believed her, was rescued barefoot and pregnant, along with her male partner, by Little Legs. Abby may not be a bichon, but she's a Little Pawser, and the sweetest, most affectionate, kindest dog I've ever known. Attached is her photo modeling her favorite leopard coat. This is her "Gotcha"! Marge Gottesman & Abby Haven&it sent any photos in a while, so here are some and a brief update on my precious girl. She will be 11 years old this month as best I can imagine since she came to me at 8 months in July 2008. We recently retired from Pet Therapy at Oak Park School for Special Needs Kids. After 10 years, I decided to retire (not Kelly) because of a rotator cuff injury I suffered last year, which prevented me from lifting it up so the kids could hold it. She won first place in the "Dog Days of the Summer" contest at the Heron Club, a care center, where Kelly still does Pet Therapy with the elders who love her. He always wears a different dress every time we go, so he knows he's "working". Sandy Hamel & Kelly Cruiser came into my life when I needed him. It was a blessing sent by Little Legs. He's smart, funny and so affectionate! He's my...
