However, the steering sensitivity is too sensitive. I reset without power steering. I had to wince to stay upright. And I collided with opponents and went off course, even with heightened sensitivity I would have been sent to the wall. You also have problems with launching the game twice as fastReabetswe Mashapa: GT Racing 2 APK is a great game but there are two problems. I can't sign in to Google. Please solve this. It's a fantastic game if you read. This is a great game and I highly recommend it. I think it's better than Real Racing. I actually think it's better than Real Racing 3. Rudolph Munro: It's impossible to be perfect and it's as close as you can get, it should have been 4 and 1/2 but I can't give half a star for... wonderful Game. Loving every minute Manesh Kumar: Everything is working great. This is a great offline game but please add more cars like Bentley Continental GT or other models, models.
